INSTITUTE

The Zurich Institute of Business Education is a debate forum, a meeting place where students, faculty members and practitioners build networks and share insights, ideas and expertise.

CAMPUS

All our modules are conducted at the modern Institute Campus right on the shores of Lake Zurich, an ideal learning environment.

SPEAKERS

Our professors are global experts in their fields. They typically come from other academic institutions for short teaching stints at our business school, bringing with them the latest insights in the fields of management and business.
